Assistant/Associate Professor of Finance. All Finance specialty areas will be considered, although Derivatives, Entrepreneurial Finance and/or Behavioral Finance may be preferred. One full-time, tenure-track position will be available. A Ph.D. in Finance is required. ABD’s near completion will also be considered. Evidence of the potential to publish high quality research is required. Duties will include teaching at the undergraduate or MBA levels, research, and professional service. Faculty members with successful research programs teach two courses per semester. Quality teaching is a necessary condition for continued reappointment, while research is emphasized for salary increases, advancement, and tenure.
