The Department of Physics and Astronomy at Clemson University invites applications for a Tenured/ Tenure-Track Faculty Position in Biophysics to begin in the fall of 2006. Candidates must possess a Ph.D. in physics or related field and provide evidence of productive postdoctoral experience. Candidates of all areas of Biophysics will be considered, however, preference will be given to experimentalists. Salary will be negotiable and commensurate with rank and experience, and reasonable start up funding will be available. For further information visit the departmental web page at http://physicsnt.clemson.edu/. Applicants should send a curriculum vitae, a description of the proposed research program, a statement of teaching philosophy, and the names and addresses of three references to Biophysics Search Committee, Department of Physics and Astronomy, Clemson University, Clemson, SC 29634-0978 or e-mail to biophysics_search@clemson.edu. The review of the applications will begin on Dec. 1, 2005 and will continue until the position is filled.

Clemson University is an AA/EEO employer and does not discriminate against any person or group on the basis of age, color, disability, gender, national origin, race, religion, sexual orientation, or veteran's status. Women and minorities are encouraged to apply.
