College of Health, Education, and Human Development
Available Positions

Nutrition, Health, and Physical Activity
Asst./Assoc Professor (Extension)
Public Health Sciences

Position: Assistant/Associate Professor in the Department of Public Health Sciences. This is a Public Service Activity (Extension) funded, tenure track position with a 12 month appointment.

Date Effective: July 1, 2006

Qualifications: An earned doctorate in nutrition, public health or related health science area. Evidence of ability to perform community based intervention and /or outreach activities. Evidence of ability to teach at the graduate/undergraduate level, documentation of experience and ability to secure external funding. Familiarity with Land Grant University Extension Programs and Requirements. The successful candidate should possess strong interpersonal and communication skills, evidence of collaboration and experience in mentoring/advising students.

Major Responsibilities: Initiate, sustain and promote an interdisciplinary program focusing on dietary, physical activity and lifestyle related chronic disease (obesity). Coordinate teaching, research and outreach efforts with other Clemson University academic/extension programs. Lead collaborative University efforts in health communication/social marketing interventions as they pertain to the focus areas. The candidate will work with external University partners such as the Greenwood Genetics Center and the S.C. Nutrition Research Consortium.

Application Deadline: December 15, 2005 or until filled.

Application Procedure: Applicant should send a letter of interest, curriculum vita and the names and addresses of three professional references to:
